| Grade 9 MATH Final | | Ms Cummins' room |

LITERACY EDUCATION

Looking for colourful and fun illustrations combined with a quirky and wonderful story? Look no further than *I want to be a vase*. Shapes. You've heard of them. You might have even interacted with a few. But do you really know them? From plucky Plunger, who wishes to defy his shape and become a beautiful vase, to other household objects with dreams of a life beyond their predestined roles, *I Want to Be a Vase* takes readers on an essential and visually stunning journey through the lives and intimate dramas of often-overlooked household appliances.

INDIGENOUS EDUCATION

Pow Wows are powerful Indigenous gatherings where you'll find multiple generations coming together to enjoy food, honour traditions, forge a sense of community, and practice spiritual healing. Bask in the joyful reclamation of traditional dances and songs, and sense the palpable pride of Indigenous dancers, drummers and singers as they embody the power of Pow Wow. To find a Pow Wow near you check out: www.CanadianPowWows.ca

AG DATA science camp

August 8-12, 2022

presented by

Applications Open April 26, 2022

**Discover How You Can
Build a More Sustainable
Future by Harnessing the
Power of Data Informed
Decision Making**

Explore How Data and Technology Can Help Transform the Future of Agriculture

Ag Data Science Camp is a five day overnight camp offered FREE of charge to highschool students in grades 11 and 12 interested in transforming the future of agriculture through data science and technology.

Five Day Overnight Camp

Experience life as a college student living in residence at Centennial Village. Explore what the campus has to offer, including the Olds College Smart Farm, Botanical Gardens and Constructed Wetlands.

Presented by Olds College, the camp exposes you to career paths in the emerging fields of precision agriculture, data science and agriculture technology.

Guided by instructors from the Werklund School of Agriculture Technology at Olds College, you'll be exposed to the principles of data literacy, informed decision making and emerging agriculture technologies.

Over the course of the week, you'll take part in engaging classroom discussions, demonstrations, guest lecturers and produce a final project demonstrating your new data informed decision making skills to solve an existing agricultural challenge in front of a panel of industry professionals.

AgSmart 2022

As part of your camp curriculum, you get to enjoy two afternoons exploring AgSmart 2022, an outdoor educational agriculture expo featuring live equipment and technology demonstrations, educational sessions and exhibits discussing emerging trends in the agriculture industry.

Visit oldscollege.ca/agdatacamp to apply!

Selection process in place. Limited spots available.

Please Bring:

- Doll to practice with for the course. A doll will be provided, if you do not have one.
- Bagged lunch, snack (nut free), and water

To Register:

Online: www.townofpenhold.ca
Payment via OptionPay, or at
Town Office - cash/credit/debit.

FAMILY SUPPORT PROGRAM

The FRN Family Support program serves families with children aged 0-18.

This programming is intended to build parental/caregiver resiliency and is focused on the family unit to promote family wellness.

Programs are flexible and goal oriented to fit each family's specific needs with a focus on strengthening protective factors and reducing risk factors for all members of the family.
