## Little Shoppers

Little Shoppers is a temporary Christmas store located in the library for students to shop for their parents, siblings and grandparents. Students may purchase items for \$1.00 or \$2.00, wrap and label to take home for Christmas gifts. All proceeds go to Bowden Silent Santa and is sponsored by Friends of Grandview.

Little Shoppers are now accepting donations of new or gently used items, Christmas bags and name tags. They can be dropped off at the office or the library. Little Shoppers will be open December 7th & 8th

Parents **PLEASE DO NOT** let your kids run out from cars to cross the street during pick up and drop off. Ideally if you could drop them off on the north side of the road west of the bus zone and have the children use the sidewalk side to exit the vehicle.

If using the south side of the road, please have them carefully use the crosswalks to get from one side of the street to the other. We have had a couple of close calls with kids darting out between buses or vehicles and not using the crosswalks.

Additionally, a reminder not to stop and drop your children off in the middle of the road but to pull up to the north curb

west of the bus stop area.

Drivers please continue to exercise extreme caution when navigating the road in front of our school and

keep your speed to 30 km or less. Please be extra

watchful in case we do have a child pop out from

between vehicles. Thank you for your cooperation.

Your child's safety is our first priority!

We are currently looking for School bus drivers in all areas. If you are interested in becoming a school bus driver please apply online at [www.cesd73.ca](http://www.cesd73.ca) under Careers/ Casual

# Literacy Corner

There are so many incredible books set in November; a few treasures to check out!

After a grandfather dies, a father and son journey forward through seasons and time, discovering how our loved ones remain with us even after they pass on. From beloved author Gail Silver of the Anh's Anger series comes a touching story of a father comforting his son after a grandfather dies.

# Indigenous Education

Get ready to play Inuit games! Join Tuktuk and his friends as they show you how to play games like the one-foot high kick, muskox push, owl hop, and more. Start practising, grab a friend, and play along in this fun interactive book.

## Purpose

Family Resource Network (FRN) focuses on prevention and early intervention services for families and youth aged 0-18 years. Funded by Alberta's Ministry of Children's Services, FRN believes that as long as a child is safe, they can achieve their greatest potential within their family unit. FRN educates parents and caregivers about child development, provides social supports, and offers coping and problem-solving skills in order to build resiliency and success within families and communities.

## Process

Through a "hub and spoke" service delivery model, FRNs (hubs) coordinate delivery of all programs and services, which are accessed either directly through a hub or via collaborative partnerships and agencies (spokes). FRN offers programs geared towards early childhood development, child and youth development, parent education, family support, and home visitation. "Hubs" may deliver all services, coordinate independent "spoke" services, or empower "spoke" services to support more than one FRN "hub" throughout certain regions.

## Outcomes

Using evidence-based and informed models, FRN employs a continuum of prevention and early intervention services to ensure that parents, caregivers, and children receive the care and tools they need to create strong family units, foster sense of belonging to a larger community, and thrive.

Our **Family Resource Network Services** are available for all Albertans with children aged 0 - 18.

Services include:

### **Early Childhood Development**

Early Childhood Development will serve families with children aged 0-6. Child activities will be directly related to: Fine Motor Skills, Gross Motor Skills, Communication Skills, Problem Solving Skills and Personal-Social Skills. Programs will include staff supervised Parent/Child Play; Developmental Screening Sessions with Ages and Stages Questionnaires; and Supported Play Sessions where collaborative partners (Occupational Therapists, Speech Pathologists) attend to assist parents with questions and strategies for improved developmental outcomes.

### **Family Support**

Family Support will serve families with children and youth aged 0 - 18. Programming is intended to build parental/caregiver resiliency and is focused on the family unit to promote family wellness. Programs are flexible and goal oriented to fit each family's specific needs with a focus on strengthening protective factors and reducing risk factors for all members of the family.

### **Home Visitation**

Home Visitation will serve families with children aged 0-6. This program is designed to support families in providing a nurturing, stimulating and safe environment for their children from prenatal until the child turns six. Families with new babies participate in home visitation services by trained staff in a way that meets their specific needs.

### **Child and Youth Development**

Child and Youth Development will serve families with youth aged 7 - 18. Program examples are social skills groups, life skills groups, anger management groups, coping skills groups and youth leadership development.

### **Parent Education**

Parent Education will serve families with children and youth aged 0-18. Parent education curriculums used are empirically supported and evidence based. Further examples of programming include Connect, Kids Have Stress To Go, Triple P, Circle of Security and Active Parenting.

**McMan Central is excited to receive your referrals for our new Family Resource Network Services.**
