Winter Carnival

BGS enjoyed the Winter Carnival! The weather and the events were spectacular!

Literacy

The coming month brings us so many amazing things - Saint Patrick's Day, the first day of spring, and the impending warmer weather. Even better, though, are the children's books that March delivers. Check out some awesome up and coming books!! Check back next week for more titles!

Caldecott Medal-winning Carole Lindstrom, who gifted us the powerful *We are the Water Protectors*, gloriously follows up her New York Times best seller with *My Powerful Hair*. Paired triumphantly with Steph Littlebird's debut art, *My Powerful Hair* is an empowering and healing celebration of hair and its significance in Indigenous cultures.

Twenty Thousand Fleas Under the Sea (B&N Exclusive Edition)
(Dog Man Series #11) by Dav Pilkey

After ten SUPA awesome books, Dog Man is finally back and shows no signs of slowing down! This laugh-out-loud epic Dog Man adventure may be the best one yet, but you need to read it to find out!

Squished: A Graphic Novel

[Megan Wagner Lloyd](#), [Michelle Mee Nutter](#)

Having a big family is great. There are always people around and things to do! But while 11-year-old Avery loves her big family (including her six siblings), it's hard not to feel, well ... squished!
