Water Experience 15 is a 3 credit outdoor adventure course for high school students. They were in the Bow Valley Parkway at the Canadian Rockies Outdoor Learning Center for 4 days and 3 nights. They learned paddling skills and received a Level 1 Paddler Certificate. They learned about the watershed system in our area and what happens for conservation and adventure. They learned safety skills, shelter building, map and compass and orienteering skills. They culminated with a hike and were challenged to utilize their new skills. A great adventure!

Heart Creek Trail - September 29th

Students in grade 8-12 hiked 10 km on The Heart Creek Trail and Heart Creek Bunker in order to connect with the land for Truth and Reconciliation Day.

Heart Creek Bunker was built during the Cold War. Students were able to explore using flashlights.

Parent School Council

Friends of Grandview (FOG)

School Council

School Council met on September 19 with an online google meet. It was very exciting to have so many new names join our meeting. Everyone is always welcome!

PARENT QUESTION: Can we explore restaurants such as Subway/Booster Juice to offer for lunches?

ANSWER: Yes, we are currently looking at options to add to our hot lunch program. We will continue to offer a Hot Dog day as well as a home cooked meal day along with the Athletics program Pizza Day.

Our next meeting is Tuesday October 17 at noon!!

If you would like to join the monthly meeting please email bgscouncil@gmail.com

Breakfast Program

Volunteers serve toast, fruit, and a small variety of other items each morning. They start at 8am so when the school doors open the toast is ready for all our students to enjoy. This is available for free to ALL students through donations and grants. October schedule is out for those volunteers already on the email list.

To volunteer email: bgscouncil@gmail.com

FOG- Friends Of Grandview

FOG will be meeting in person in the month of October. If you would like to attend this meeting either for information or to offer your volunteer time for some upcoming fundraisers please contact Carla.

Eagle Creek Farms Vegetable Fundraiser has been sent home with youngest or only students and is in the newsletter. Order **deadline** is **Monday, October 16th** and delivery will be **Monday, October 30th**

Eagle Creek Farms

Vegetable Fundraiser

Who are We?

Eagle Creek Farms is a 4th generation farm that began growing vegetables in the 1960's. We grow Veggies, Seed Potatoes & Sunflowers. Cut Flowers and have been Certified Organic Since 2018. All the vegetables supplied in the fundraiser have been grown, washed and packed on the farm. We have created this fundraiser with Carrots, Potatoes, Beets and Cabbage.

Why Participate?

- Schools keep 30% of sales
- Families enjoy locally grown freshly harvested Alberta Vegetables.
- Families have the opportunity to visit the the Bowden Sunmaze to see where and how we grow the vegetables

How it works

- We grow and package the veggies
- Students sell the veggies
- We will deliver the bagged produce to your pickup location/date

ORDER DEADLINE: Monday, Oct. 16

Delivery date will be Monday, Oct. 30!

Please make cheques payable to: *Friends of Bowden Grandview (FOG)*

Improving emotional health and well being

Juno House™: Specializing in adolescent girls and young women's
mental health presents the Juno House Therapeutic Model of Treatment™

Navigating Technology with our Youth

Andrea Halwas Larsen, BA, MFA, PhD, REACE, Registered Expressive Arts Therapy Consultant,
Associate Therapist & Educational Coordinator at Juno House

In this 1.5 hour presentation, we will discuss the role of technology and today's youth. The message of this presentation is not only based on technology, but also about a child's healthy brain development and the necessary parenting/caregiver role in creating healthy, emotional, regulated, and integrated brains. This presentation will address the underpinning of a child's emotional brain development and how to grow it, as well as how technology can dangerously hijack this.

We believe that talking does not grow neurons; experience grows neurons. This workshop is designed to give attendees the skills to become their child's emotional coach. The workshop will provide participants with:

- An understanding of the basic neuroscience behind healthy brain development,
- The dangers of technology for healthy brain development,
- Technology use rules that will help your child
- When building healthy brains, how to identify emotions in your child/student, and
- How to become your child's/student's emotional coach in only five steps and in that, build a resilient child.

The presentation is facilitated by a therapist from Juno House who has years of both clinical and facilitating experience. Juno House was founded in 2008 as a Centre of Excellence for adolescent girls and young women who are experiencing anxiety-based mental health issues of self-harm, obsessive compulsive disorders, depression and eating disorders.

Literacy Corner

Dress as a career is this Friday, October 13th. We hope to see many inspired students in the hallway.

Myrtle and Erytle are twins who don't look alike or act the same, but they do share one common love...SHOES! Their father uses their love of shoes to encourage the young twins to start thinking about future careers early.

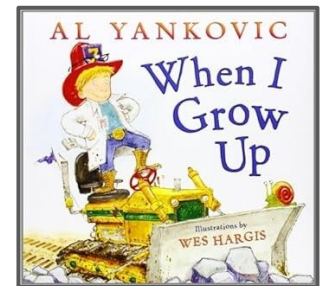

"Just start with what you know and love.

Pick out your favorite shoe.

What you wear on your feet when you walk down the street might help you decide what to do."

This book is an excellent resource that will spark children's imaginations leading them to discover what they enjoy and want to become.

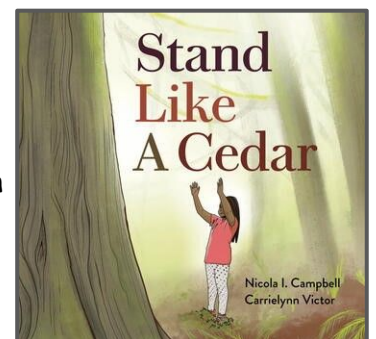

"Weird Al" Yankovic brings his trademark wit, wordplay, and silliness to a story that explores the timeless question "What do you want to be when you grow up?" Funny and charming, this is a celebration of creativity and possibility.

This romp through the alphabet explores extraordinary women and their careers. You might not have heard of some of these women such as Iris Apfel (fashion icon), Emmeline Parkhurst (suffragist), or Wu Zeitan (first and only female emperor of China) but that's the fun of this book! Use this board book to show your children how women have impacted the world!

Indigenous Education

When you go for a walk in nature, who do you see? What do you hear? Award-winning storyteller Nicola I. Campbell shows what it means to "stand like a cedar" on this beautiful journey of discovery through the wilderness. Learn the names of animals in the Nt̓eʔkepmxcín or Halq'emeylem languages as well as the teachings they have for us. Experience a celebration of sustainability and connection to the land through lyrical storytelling and Carrielynn Victor's breathtaking art in this children's illustrated book. Discover new sights and sounds with every read. A glossary and pronunciation guide can be found at the back of the book.

OUR LEADERS

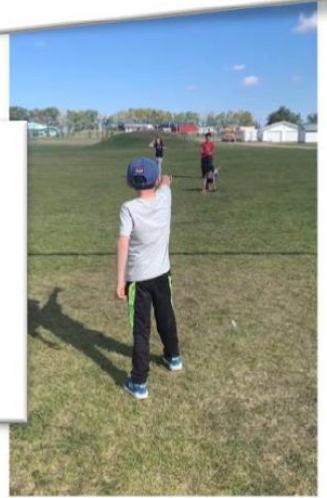

Hi, my name is Miss Molly Minor! As well as working at BGC for a year now, I also work at Bowden Grandview School as an Educational Assistant. I am currently working towards my Early Learning and Childcare Diploma through RDP starting this fall. In my spare time I like to spend time with my animals, (cats, dog and horse), playing piano and guitar, motor biking, camping, exploring local spots and hanging out with my friends and family. I am looking forward to my second year at Bowden Jungle Junction with our current members and new ones!

Hello, my name is Miss Hailey Hronek. I've worked with the BGC for over a year now but prior to that I worked in kindergarten classes. I will be working towards my early learning and childcare diploma at Red Deer Polytechnic this fall. In my spare time I am often out driving around with my friends in my car or at home with a good book. I also LOVE to travel, my most recent trip was to Italy and Greece! I am so excited to be working in out of school care with so many amazing kids!

We have so much fun playing, exploring, learning, and creating here at Jungle Junction!! Come join the fun!
