Parent Survey Spring 2024

As vital partners in your child’s education, we believe the parent voice is extremely important. We would like to invite you to give us your thoughts on how we are doing at Bowden Grandview School through our annual (5 minute) Parent Survey. We are interested in our parents' perception of areas we are doing well in and those that need more work. We will use this data to plan for the remainder of this year and next year. The data we got from last year’s survey was very helpful in guiding our planning this year. If possible, please complete the survey at your earliest convenience as it will only be open for a limited time period.

Please refer to the email sent to you on March 15th for a link to our survey.

Thank you in advance for your time and feedback!

Bowden Grandview Staff

THANK YOU!

Ms. Dreher and the Grade 6 class would like to thank everyone for their wonderful support and participation from both the school and the community in the fundraising activities organized by the Grade 6 students over the years. Such collaboration not only fosters a sense of community spirit but also provides valuable resources for helping raise money to go to Grade 6 Camp. Thank you to everyone involved for their dedication and generosity! We greatly appreciate your support.

The Kindergarten students have been practicing their number recognition and strategic skills with their grade 8 Big Buddies through card games!

The grade three's made Pysanky last week to coincide with our unit on Ukraine. The kids designed their eggs, waxed them with crayons and dyed them various colours. Then they blew out the yolk and oiled them for a beautiful Easter keepsake.

Congratulations to Taydee Bezjack, Westley Schaffer, and Alayna Whitney on being our Accelerated Reader Prize Winners!

Did you know that National Pet Day is an unofficial holiday that takes place every year on **April 11** and encourages people to appreciate the role that pets play in our lives. People with pets are encouraged to give them the extra appreciation that they deserve on this day. Here are a few of our favorite pet books to share with you

I Wanna Iguana by Karen Kaufman Orloff **Wanna Iguana** captures a young boy's desire to persuade his mom to let him have a pet iguana. Through detailed and humorous written exchanges, the boy and mom go back and forth with their reasons for having (or not having) an iguana as a pet.

The Invisible Leash: An Invisible String Story About the Loss of a Pet by Patrice Karst

"When our pets aren't with us anymore, an Invisible Leash connects our hearts to each other. Forever." That's what Zack's friend Emily tells him after his dog dies. Zack doesn't believe it. He only believes in what he can see.

We Don't Lose our Class Goldfish: A Penelope Rex Book by Ryan T.Higgins Penelope Rex has one fear: Walter, the class goldfish. So when Mrs. Noodleman tells the kids that they'll be taking turns bringing Walter home, Penelope gets carried away by her anxious imagination. The weekend has a rocky start—from Walter ominously licking his lips to a sleepless night where the fish's bowl appears to move closer and closer to Penelope's bed.

Indigenous Education

Akagaq, the youngest brother of three, is confident but forgetful. When he gets caught in a blizzard he makes a tent, but it is no match for the powerful winds. Trapped in the cold, Akagaq is helped by his brother Tiriaq. Tiriaq digs into a snowdrift for shelter, but the wind is still too strong and blows out their lamp. Akkiutaq, the eldest brother, arrives to save them, and brings them to the iglu he has carefully built.

How I Survived: Four Nights on the Ice by Serapio Ittusardjuat

After his snowmobile breaks down halfway across the sea ice on a trip back from a fishing camp, Serapio Ittusardjuat recounts the traditional skills and knowledge he leaned on to stay alive.

HOME ALONE COURSE

Do you have a preteen aged 10-13 and want to teach them about at home safety and preventing/responding to emergencies? Then look no further!

This course teaches preteens about the responsibilities of being home alone and at-home safety. Also, how to prevent and respond to emergency situations properly. The first half of the course focuses on home alone and at home safety, while the second half is first aid and preventing/responding to an emergency.

- This course does not certify your child in first aid, but gives them general knowledge to be used in emergency situations*
