Personal Devices

Parents/Guardians: If you feel that your child is responsible enough, you can choose to let your child bring their own personal device (chromebook). Please be aware that BGS will not be responsible for any loss or damage of student's personal devices. Chromebooks will continue to be made available for signout as needed in each class. Note: Please write your name on all of your materials prior to the beginning of the year. However, do not label the subjects on your materials as we will do that as a class on the first day.

Looking forward to the year,
Miss. Severtson
