Grade 2

The grade 2s had a blast computer coding with Bee Bots over the past two weeks! Brand new to our school division, these user-friendly little bots allow for the basics in programming: forward, backward, right turn, left turn. The 2s had much fun exploring and programming the Bee Bots to move along a predetermined path -- on a school map or a word map -- and of course made a few mistakes along the way. That's all a part of learning how to code!

Literacy Corner

Did you know that authors of beloved classics such as *A Wrinkle in Time*, *Little Women* and *The Narnia* books all share a birthday? Madeleine L'Engle, Louisa May Alcott and C.S. Lewis's birthdays are all on November 29th! Which author is your favorite of the three?

Indigenous Education

This story is told with the help of traditional corn husk dolls. Corn dolls protect the home, livestock, and personal wellness of the maker and their family. Corn husk dolls have been made in some Indigenous cultures since the beginning of corn agriculture more than one thousand years ago, and continue to be made today.

A perfect read for harvest season!
